Last Minute Reminders

The big day has finally arrived!

Cake Stall:
A reminder for all families to make a delicious cake, slice or plate of biscuits or muffins for the Cake Stall. Last week, all families would have received a plate, bag and slip to write the list of ingredients. It is a requirement to have all ingredients listed and we request no cream or nut products in the delicacies. Baked items can be left at the Art Room at the front of the school's property, above Sandy Bay Road, on the morning of the Fair, which will ensure freshness.

Raffle Tickets:
If you have not returned your raffle tickets yet, please return all monies, sold ticket stubs and any unsold tickets to the College Office by Friday morning. Although the Raffle Seller’s Prize draw has closed, your sold tickets will still go into the draw and raffle ticket sellers will be walking around the Fair selling the last remaining tickets.

Volunteers:
If you have volunteered your time to assist with a stall at the Fair and do not know which stall you will be assisting with, there is a list displayed near the stage area on the basketball court.

Parking:
The College carpark will be closed for all staff and families on Fair Day. Stall holders will have access until 3.00pm so that they can unload their vehicles, but after this it will be chained off at the Sandy Bay Road entrance. There should be ample parking available at Wrest Point and we remind everyone to cross at the traffic lights.

Please be respectful of residents in our surrounding area and in no circumstances should cars be parked over residents’ driveways. This is not only a legal requirement, but a simple matter of courtesy. Additionally, please do not park in those area which are signed as non-available for specific times before and after school or have a 2-hour parking time limit. The Hobart City Council conduct regular patrols throughout the day and infringement notices are issued for those cars not observing the indicated directions.

What to Bring:
- Where possible, please bring plenty of small change as our stall holders operate with limited change. Coins are preferred over large notes. For students bringing money to school on the day of the Fair, the College requests that the money is sealed in a clearly labelled envelope and given to your Class/Clan Teacher for safe keeping during the day.
- Keeping our environment in mind, stall holders will not have plastic bags available, so it is advisable that everyone brings a bag of their own to fill with their Fair purchases.
- Your friends and family, enthusiasm and most importantly, be ready to have some fun!
Thank you

Thank you to our major sponsors – without your support this year’s Twilight Fair could not have happened.
