CANTEEN ROSTER 2020

Dear Parents/Carers

Our school canteen is run by voluntary help for the convenience of the students and we appeal to you for help between the hours of 9.00am and 1.30pm.

Our canteen offers a range of nutritious foods. The preparation of these foods is labour intensive and we therefore need your assistance to enable us to continue with this practice. While we realise it is not always easy to spare the time for such efforts, the workload is lighter if shared among many and we would ask you to give this matter your consideration.

Please complete the form below and return to the College Office.
