

Learning for LIFE.

Term Three, 2021

This program is part of the Set Up for Success initiative, a free program prompting life-long skills for both young children and their families. We invite children from birth to five years old to attend along with a caregiver.

Learning for Life is run out of our Kindergarten House at the college, every Tuesday from 9.15am-10.30am and is accessible from Nelson Road. We welcome families to start their learning journey from Week Two and continue with us until the end of each school term. Our experienced Early Years staff develop weekly programs (see below) to meet the needs of children within our local community, inspired by Christian values. Each week our Learning for Life sessions will support the holistic development of individual children.

As part of the learning experience, parents and carers are responsible for their children at all times during the sessions. Children should wear comfortable and weather appropriate clothing (spare clothes are recommended).
