Mount Carmel College
Master Plan and Building Fund

Expanding Mount Carmel College to expand minds.

Mount Carmel College in Sandy Bay, Hobart will begin implementation of its Capital Development Master Plan (2020), following the successful purchase of two residential properties adjacent to the school on Sandy Bay Road, Hobart.

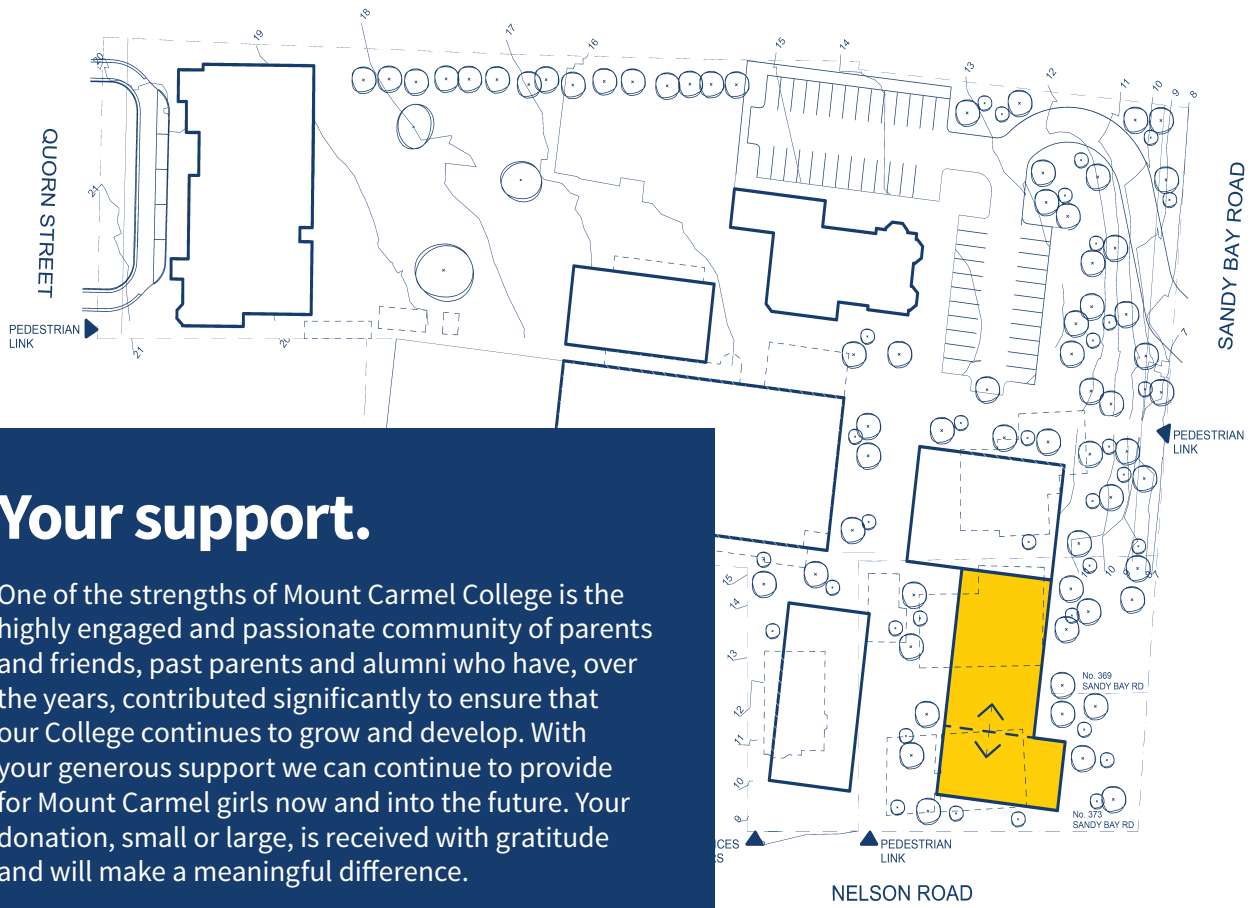

The recent acquisition of the properties located on Sandy Bay Road will provide an enlarged, continuous footprint for future modernisation of the school, in line with the Master Plan.

The expanded footprint will allow a well-planned long-term implementation of the Master Plan and deliver a better-quality outcome, with more green space, a more cohesive and balanced learning environment provided for students.

The immediate priority is to modify one of the purchased properties to provide a compliant and functional Early Years learning space by mid-2023. This will free up space in the existing Early Years Centre to allow full provision of long day care and Kindergarten by the school from the start of Term Three, 2023. The same property can also provide additional school administration space relieving some of the pressure on existing facilities.

The buildings on the second property are in poor condition and had already been approved for demolition prior to purchase. These buildings will be made safe and, once plans and funding are defined, will be modified, or demolished to make way for flexible learning spaces that can provide facilities as the school gradually implements its Master Plan.

The College has a clear and cost-effective plan for the future of the school for the next 50 years. This initiative sets a strong foundation for the College to continue delivery of high quality, modern Catholic education for all young women across the Greater Hobart region.

Your support.

One of the strengths of Mount Carmel College is the highly engaged and passionate community of parents and friends, past parents and alumni who have, over the years, contributed significantly to ensure that our College continues to grow and develop. With your generous support we can continue to provide for Mount Carmel girls now and into the future. Your donation, small or large, is received with gratitude and will make a meaningful difference.
