**Mount Carmel College** is a Kindergarten - Year 10 Catholic girls school located in Sandy Bay, Hobart, just a few minutes from the city centre.

The College has a rich history, beginning when Mount Carmel Primary School was founded in 1942 by the Sisters of Charity in View Street, Hobart. In 1947, it relocated to its current site, merging in 1957 with St Joseph's College (founded in 1847) to become Mount Carmel College as a Kindergarten to Year 12 school in the Catholic tradition. Today, in what has been reshaped as a Kindergarten - Year 10 College offering a vibrant learning community, we are committed to the development of the whole person: spiritual, academic, social-emotional and physical.

At Mount Carmel College we strive to ensure that our students are nurtured, challenged and cared for. Individuals are encouraged to develop their potential, live their faith and contribute to shaping a socially just society with courage, confidence and integrity. Our goal, working in partnership with parents, is to support our students' educational journey, inspiring them to flourish, to celebrate their many talents and to become advocates of peace and justice.

Generations of young people have had their lives, values and characters shaped through their experience of participating in the life of the College community. We work actively to continue the Charity ethos and traditions in the 21st Century through our commitment to first class learning programs, quality pastoral care, religious education and social justice programs which inspire our students to grow in independence. The students who attend this College inherit the rich tradition of the Church and the legacy of the Sisters of Charity. Our goal is that they learn to actively participate in shaping their world.

Situated in Sandy Bay, Hobart, Mount Carmel's beautiful setting and outstanding facilities provide an inspiring environment for all students. The College enrolls girls from Kindergarten to Year 10, and supports girls to take intellectual risks and to focus on excellence in achievement. The size of our College, approximately 550 students, is a significant factor in its success. It is just the right size to enable a strong sense of belonging. We understand that girls will thrive in a learning environment where they are known, valued and affirmed.

What makes our College unique is our community of people, our dedication to excellence and our focus on student wellbeing. Our College's commitment to "nurture, challenge and care" is seen in action every single day. Working in close relationship with our families, we enable each student to develop the skills for life-long learning: creative and flexible thinking, resilience, empathy, generosity of spirit and an understanding of their spirituality. Our students are encouraged to identify and pursue academic excellence and to actively partake in sporting endeavours, cultural pursuits and social justice initiatives. Our commitment as educators is to walk with our students on their learning and faith journey, encouraging the students in our care to achieve their full potential. We are constantly challenged to consider new ways to improve our practice in the pursuit of excellence.

We are extremely proud of the College's comprehensive curriculum, excellent facilities and resources, learning support programs, dedicated teaching and support staff, co-curricular activities, pastoral care structures and social justice initiatives. As a community we are committed to ensuring that our students experience a faith-filled education where their talents and efforts are acknowledged, where they are supported to achieve excellence and where they are nurtured to flourish as individuals. The success of the College is due to the hard work and dedication of many people - staff, families, students, and community members - all of whom give life to our mission as a Catholic school in the Charity tradition. It has been characterised by a strengthening of spirituality and of the learning culture in the College.
