Centre Philosophy

At Mount Carmel College we believe that in the early years of a child's life play fosters the imagination enabling children to explore the world at their own level. Our early learning programs have a play based approach to learning and aim to support young children to individually grow and develop their love of learning, faith in Christ and their own identity with integrity. We endeavour to provide children with the opportunity to explore and extend their imagination, problem solving skills and creativity.

A Holistic approach to learning includes supporting spiritual, social/emotional, physical and cognitive learning. We believe that when a child is holistically supported and guided in their learning environment they are more likely to achieve great success that is meaningful to their individual experience.

Our educators strive to create and maintain a positive, vibrant and educational learning environment where children are nurtured by experienced educators. We aim to create a space for children that welcomes them and promotes a sense of belonging. Educators often collaborate with students, families and other early years professionals to create an environment that is safe, inviting and engaging for everyone.

Our College believes that strong partnerships with children and their families are an integral part of individual learning success. As educators we work with families to build positive relationships with children and create lifelong learners.

Discover *new ideas*

Imagine *all the possibilities*

Create *new connections*

Location

Mount Carmel College is located on picturesque grounds in Sandy Bay just 10 minutes from Hobart.

Child Safe Organisation

Mount Carmel College OSHC aims to support the active participation of children in our Service. We support and respect our children, their families and our employees. We promote a child safe environment that is inclusive, transparent and promotes children's participation. Children's safety is paramount, and we aim to take all practical steps to protect children from all types of abuse, harm and neglect. We understand our responsibilities and statutory duty of care to comply with both the Child Safe Standards and the Reportable Conduct Scheme to build our capacity as an organisation to prevent and respond to allegations of child abuse.

Services Provided

| | |
|--------------------|-----------------|
| Before School Care | 7.30am – 8.30am |
| After School Care | 3.05pm – 6.00pm |
| Holiday Care | 7.30am – 6.00pm |
| Student Free Days | 7.30am – 6.00pm |

Full-day Holiday Care is offered from late January to the beginning of the school year and during the April, July and October school holiday periods.

Enrolment

The Mount Carmel College Early Learning Centre offers After School Care, Before School Care and Holiday Care programs. Enrolment information including medical details is sought at the beginning of each school year.

Our Enrolment process is completed via our online management system of Kidsoft. Families will receive a link where they can register for a Parent Portal account to begin the enrolment process. Please email info@mountcarmel.tas.edu.au if you have any questions.

Bookings

All bookings must be made via the Kidsoft Parent Portal.

Permanent and Casual Bookings

Permanent bookings are an ongoing booking that:

- remains the same from one week to the next
- must remain unchanged for a minimum of 3 weeks
- are chargeable regardless of attendance (unless you have provided the adequate notice to take up a make-up day)

Casual bookings are one off bookings that:

- can be booked at the last minute for emergency care. This is provided that we have vacancies.
- are designed to support families taking on casual work and shift work

Casual Bookings

We offer casual days to give our families the flexibility and support when last minute work or life plans are made. This allows you to pick up additional days for your child to attend Early Learning and our Outside School Hours Care (OSHC) programs. Casual days are available by booking a Casual Booking directly via the Parent Portal App.

Should you see that the booking is not available on the day you want to book, it may mean we are full on that day, please call the Early Learning Centre (ELC) to speak to our educators and let them know you wish to go on a waitlist for that day.

To keep each child safe and to ensure we follow the regulations of staffing we adhere to a 1:10 educator to child ratio. We must maintain this ratio at all times we have preschool aged children in our service. In order to ensure that correct ratios are maintained all new bookings are now required to be made 72 hours prior to the booking date. This will provide us time to organise the correct number of educators in the space.

If you require a Casual Booking within 72 hours, please call our ELC directly and speak to one of our staff. You can contact us on 6216 7920. We will aim to accommodate your request, where possible.

Staffing

Mount Carmel College ELC operates in accordance with government regulations. We always adhere to the Education and Care Child to educator ratio regulations. Our staff are qualified professionals who are passionate and experienced Early Childhood Educators. Each educator strives to build partnerships with families and positive relationships between each other and the children. They plan and implement programs that cater for individual needs, interests and abilities for children.

Safe Arrival and departure

Mount Carmel College ELC operates in accordance with government regulations. The staffing ratio is 1:10. Our staff are qualified professionals who are passionate and experienced Early Childhood Educators. Each educator strives to build partnerships with families and positive relationships between each other and the children. They plan and implement programs that cater for individual needs, interests and abilities for children.

National Quality Framework

Our OSHC Service complies with the Australian Government's National Quality Framework (NQF) which consists of the legislative framework of the Education and Care Services National Law and National Regulations, the National Quality Standard and a rigorous assessment and rating system. Our educational program and curriculum are based on the School Aged Care Learning Framework-My Time, Our Place.

We regularly self-assess our practices against the National Quality Standard and strive for continuous improvement through our Quality Improvement Plan (QIP). The QIP assists our service to identify quality aspects of care we are already providing and assists in developing future goals for further improvement. Families are welcome to provide feedback and suggestions for improvement.

Additional information about the NQF can be found at [ACECQA/nqf/about](https://www.acecqa.gov.au/nqf/about)

Educational Program

We provide a range of both structured and non-structured play-based learning experiences that are designed to be stimulating, challenging, inclusive and meet the needs and interests of all children and young people attending our Service. Children and young people's learning in school age care settings complements their learning at home, school and in the community. Our educators collaborate with children and young people to provide play and leisure opportunities that are meaningful and support their wellbeing, learning and development. Children and young people are provided with choices and control over their play, leisure and learning.

The development of our program is guided by the My Time, Our Place Framework for School Age Care in Australia and is informed through ongoing observations, evaluations and collaboration between educators, children, families and relevant stakeholders. Our program format varies for before and after school care and during vacation periods.

'The Framework provides broad directions for school age care educators to ensure children and young people are supported, celebrated and connected to their community, taking account of their wellbeing, learning and development.' (MTOP, 2022, p. 7)

My Time, Our Place

Fundamental to the Framework is a view of children and young people's lives as characterised by belonging, being and becoming. From before birth children are connected to family, community, culture and place. Their earliest development and learning take place through these relationships, particularly within families, who are children's first and most influential educators. As children and young people participate in everyday life, they develop interests and construct their own identities and understandings of the world. A vision for children and young people's play and leisure is provided in the MTOP Framework:

"All children and young people engage in learning through play and leisure that promotes creative and confident individuals and successful lifelong learners. All children and young people are active and informed members of their communities, with knowledge of Aboriginal and Torres Strait Islander perspectives." (MTOP, 2022, p. 6).

Holiday Care

Our Service provides Holiday Care during the School holidays. Our program is developed towards the end of term and includes a variety of activities including excursions, themed and incursion days. Parents/guardians will need to complete and return by the specified cut-off date in order to secure your child/ren's position, along with any of the required excursion permission forms.

Parent Information

Parent information can be found and communicated through:

- The College newsletter, *The View*, available on the College website
- Program Plans (on the wall in the ELC and on Storypark)
- Emails
- Storypark (plans, child notes and community posts)
- Parent notice board and displays (Located in the foyer of the ELC building)
- Kidsoft-Parent Portal
- Phones Call

It is important that families regularly check Storypark and our Parent information board in the foyer of the ELC building to see any updates or information that may be relevant to their child.

Meals

Our Service provides a nutritious menu that has been developed in consultation with the Australian Dietary Guidelines. We offer Breakfast and Afternoon Tea.

A menu will be on display on the notice board in the foyer. Children have the opportunity to contribute to the development of the menu by providing us with suggestions and feedback. We encourage families to do the same.

We cater to children's individual special dietary requirements by providing alternate options to what is being offered on the menu. Please ensure that your child's health, allergy and cultural dietary requirements are kept up to date to ensure that our team are providing appropriate food options for your child/ren.

Sun Safety

Sun protection is required from September to April. This includes but is not limited to a hat, sunscreen and protective clothing. You can see our Sun Protection Policy for more information.

Our service provides sunscreen for students. If your child has sensitive skin please talk to our educators about how to protect them from the sun. If your child is booked in to attend OSHC on a regular basis, we ask that you pack a spare wide brimmed hat in the bottom of their bag to use.

Items from home

We do not encourage children to bring toys from home, as they may be lost, broken or considered inappropriate in group settings.

All belongings must be labelled with your child's name, including uniform.

Fees & Child Care Subsidy

1. **Child Care Subsidy (CCS)** is available to all Parents/ Carers who meet the eligibility requirements. All information and applications are available through Services Australia.
2. **Absences:** Under the Child Care Management System (CCMS) CCS is strictly monitored. A child is allowed to have 42 absences in a financial year for any reason, but a fee must be charged to gain CCS. Once 42 absences have been reached, documented proof is required for any additional absences for continued CCS entitlement as assessed by Services Australia. A fee is still required to be charged to claim CCS.
3. **Bookings** may be adjusted during the year, and must be made via the Parent Portal. **Casual bookings** are available however a place is not guaranteed if our numbers exceed our licensed places. All casual bookings must also be made through the Parent Portal.
4. **Fees are payable** by Parents/Carers as agreed on the enrolment forms. All accounts must be paid at least fortnightly by Direct Deposit, EFTPOS, or BPoint (via the College website) and a nil balance achieved. Overdue accounts may attract interest and an overdue account fee of \$10 per month.
5. **Children may be excluded** from the Centre if fees are not forthcoming.
6. Parents/Carers are required to give a **minimum of two weeks' written notice** to the College Office via info@mountcarmel.tas.edu.au of any cancellations or changes to permanent bookings.
7. **Fees may be changed** at any time at the discretion of the management. Parents/Carers will be given at least one month's notice of fee increases.
8. **Enquiries** regarding fees should be directed to the Accounts Department via accounts@mountcarmel.tas.edu.au
9. **Statements** are produced fortnightly in arrears and are sent via email. Please advise any changes to your email address.

Charges

Long Day Care 3-4 year old program Full day 7.30am – 6.00pm \$105.00

Before School Care \$15.00

After School Care \$38.00

Holiday Care and Student Free Day \$75.00

Late Pick Up Fee (for every 5 minutes after 6.00pm) \$30.00

Absent Sessions 100% of session fee (**Permanent bookings**)

Families who anticipate, or are experiencing difficulty in paying fees should

CHILDCARE SUBSIDY

Child Care Subsidy offers assistance to families to help with the cost of child care aged 0-13 years. There are 3 factors that will determine a family's level of Child Care Subsidy, which include:

- Combined annual family income
- Activity test – the activity level of both parents
- Service type – type of child care service and whether the child attends school

Families who wish to receive Child Care Subsidy as reduced fees must apply through the [myGov website](#). This includes completing the Child Care Subsidy activity test. Child Care Subsidy is paid directly to our Service to be passed on to families as a fee reduction. Families will contribute to their childcare fees and pay the difference between the fee charged by our Service and the subsidy amount received. This is called the 'gap fee'.

On enrolment we will need the Customer Reference Number (CRN) of the person linked with the child, along with the child's CRN so we can confirm the attendance and ensure that you are receiving the appropriate subsidy.

Complying Written Agreement (CWA)

A Complying Written Agreement (CWA) is an agreement between our Service and a parent or guardian to provide childcare in exchange for fees. The CWA includes information about your child's enrolment including your child's full name and date of birth, the date the arrangement is effective from, session details and details of the fees to be charged. Before Child Care Subsidy can be paid, you must approve the enrolment information within the CWA via the MyGov website.

Arrival and Departure

Parents are responsible, each day, for signing their child in AND out of the Outside School Hours Care Centre via the electronic Attendance Program. This is a government requirement. On arrival please check with staff to ensure that any relevant information about your child is shared.

Please note if you are unable to collect your child personally from the Centre, an alternative person to collect form must be filled in authorising nominated persons over the age of 16 to collect your child. Children will only be released to parents or nominated persons.

Drop off for Before School Care is located in the Early Learning Centre, via Nelson Rd. Students will be taken up to class at 8.30.

Students booked into After School Care will need to go straight to meet the OSHC educators outside the College Canteen at 3.05pm. Parents can collect their child from the ELC building, access via Nelson Rd. All children should be collected from the Centre **prior** to 6pm. If you are unavoidably delayed, a telephone call is appreciated – 6216 7920 (direct to the Centre). Charges of \$30.00 per child, for every 5 minutes after 6pm apply.

Kindergarten

If your child is beginning their first year of Kindergarten this year, an educator will collect them from their Kindergarten classroom. Here at Mount Carmel, we understand how daunting the first year of schooling can be and we aim to ensure all new students can have a smooth and easy transition from attending school to attending OSHC. After the commencement of Term 3, we then transition our Kindergarten students into making their own way to OSHC after school, in preparation for their transition into Prep.

If your child is new to Mount Carmel, please talk to them about meeting educators outside the canteen as soon as they are dismissed from class. Educators will take the roll and take the students down to the ELC building where OSHC is located.

Late Collection of Children

- If there are children still present at the Centre upon closing, it is best practice to ensure a minimum of two Educators remain until all children are collected.
 - If parents/carers know that they are going to be late, they should make arrangements for someone else to collect their child(ren). Parents/carers must also notify the Centre of these changes.
 - If parent/carers have not arrived by 6:00pm, the Centre will attempt to contact them via phone. If parents/authorised persons are unable to be contacted the Educator in charge will call the alternative contacts, as listed on the enrolment form, to organise collection of the child(ren).
 - If by 6:00pm neither the parent or any of the authorised nominees are available or contactable, the Centre may need to contact the police and other relevant authorities as listed below. In addition, either the Principal, Deputy Principal or Business Manager will also be contacted.
 - Child Protection Agencies and Regulatory Authority
 - Child Care Hotline 132 111
 - Tasmanian Police 131 444 or 000 if in an emergency
 - Department of Education and Care
- If the child is taken to an alternative safe location, for example a Police Station, a sign will be displayed at the Centre notifying parents/carers of the child's whereabouts.
- Where families are continually late to collect children, a *Late Collection of Children Letter* will be presented to parents/carers.

Behaviour

Educators adhere to positive behaviour management. They encourage children to be responsible for their actions and encourage positive behaviour choices. Students are encouraged to solve conflicts and to be responsible for their behaviour.

Family Involvement

Families are always welcome and are encouraged to participate in the program where possible. All volunteers must attain a Working with Vulnerable People check and provide a copy to the school before coming in to help.

**Mount
Carmel
College**

Courage.
Compassion.
Justice.

Donations of art/craft material (e.g. material off-cuts, cardboard/printer off-cuts, computer paper etc) are most welcome and useful in the Centre.

Grievance (Complaints) Procedure

Feedback from families, educators, staff and the wider community is fundamental in creating an evolving Education and Care Service working toward the highest standard of care and education.

In the event that feedback includes divergent views which result in complaints, the Business Manager or Nominated Supervisor will ensure the grievance is managed conscientiously and confidentially with the following courses of action available:

1. Educators are contacted in the first instance and an appropriate time is found to discuss the parents' concern.
2. If it is not appropriate to discuss the matter with the Educators, parents have access to the Director/Principal or Business Manager to raise any issue of importance to them. The issue will be discussed within 24 hours of receiving the verbal or written complaint.
3. Should parents have a serious grievance with an Educator which requires some sort of conferencing, then the Principal or Business Manager will act as mediator to provide an opportunity for resolution.
4. Parents who are unable ultimately to achieve a satisfactory outcome may also contact the College Leadership Team, College Board or Catholic Education.

Information about our Grievance Policy is accessible to all families, visitors and volunteers at either the Centre or the College Office.

Family/Staff Liaison

Staff are always willing to explain or talk with families regarding the program or an individual child's progress. An appointment can also be sought with the Early Years Coordinator or Lead Educator who is more than happy to discuss any issues that may arise.

Protective Care and Safety

The Mount Carmel College Outside School Hours Care Service has effective policies and procedures on protective care and safety.

Evacuation plans are displayed in the Centre and procedures detailed in the Centre policies.

The Service promotes and models a safe environment for the children and staff. Mount Carmel College's Workplace Health and Safety commitment is based on the conviction that the well-being of its staff, students, outside workers and visitors is of major importance in its day-to-day operations. The College is committed to the concept of Duty of Care in relation to issues of health and safety.

Excursions

Excursions are a valuable part of our Holiday Care program. The development of the whole child is enhanced through participation in experiences which encourage physical, intellectual, social/emotional and language growth. The minimum educator: child ratio for excursions is 1:10.

Transportation of Children

The safety and well-being of children is a primary concern during excursions and vehicular travel.

Parents will be required to give written consent if a child is to be transported from one place to another. Full details of the method of transportation will be provided. Site-specific procedures have been developed for use of the school bus. All vehicles used to transport children shall comply with the appropriate transport regulations.

Changed Family Circumstances

We recognise that family circumstances change. To assist us to best care for your child it would be appreciated if you would alert us to a change in the family situation (e.g. moving house, a new baby, separation, illness, death in the family, etc).

Please let one of our Educators know when circumstances change or email our Early Years Coordinator Jasmin.reynolds@mountcarmel.tas.edu.au

Infectious Diseases

The National Health and Medical Research Council have supplied the following information regarding minimum exclusion period for children from an early childhood education and care service. Please inform staff if your child has any of the following so that we can notify the Public
