

Learning for LiFE.

What's on. Term One 2024

This program is part of the Set Up for Success initiative, an early years program promoting a love for learning for both young children (Birth -5) and their families. Children must attend with an adult.

Learning for Life is run out of our Early Learning Centre (ELC) every Wednesday from 1.30pm to 2.30pm and is a completely free program. The ELC is accessible from both our Sandy Bay Road and Nelson Road entrances.

Our experienced Early Years staff develop weekly programs to meet the needs of children within our local community, inspired by Christian values. Each week our Learning for Life sessions will support the holistic development of individual children. As part of the learning experience, parents and carers are responsible for their children at all times during the sessions.

Attending these weekly sessions is a great opportunity to get to know our school and meet some early childhood trained staff. It also gives you a chance to connect with other families and encourage social skill development for your child.

We welcome families to start their learning journey with us and register via our website before your first visit or contact us for more information.

Every Wednesday from 1.30pm to 2.30pm
during term time in our Early Learning Centre.
