Information for Visa Holders and Overseas Students

Mount Carmel College has an outstanding reputation for excellence in educating girls. This reputation is founded on strong academic results, quality wellbeing programs and high levels of participation in co-curricular activities.

Our community celebrates cultural diversity and recognises that by welcoming students from other countries and backgrounds, we can all benefit from sharing these cultures and experiences.

What is an International/Overseas Student?

An international/overseas student is an overseas national who comes to Australia on a visa that allows them to student in Australia. They may come to Australia on a student visa with the express purpose of studying, or as a dependent student who is in Australia with their parents, who are studying. Or they may be in Australia as a dependent on their parent's visa with a purpose other than studying, but their visa allows the dependent to study while in Australia.

Do International/Overseas Students need to pay fees?

International/overseas students need to pay the grant level plus the College fees charged. There is no Commonwealth or State funding available to international students.
